Re: Extension of the Atlantic Canada Offshore Collective Agreement (GPMA)

Dear Member:

After appropriate consultation and discussion with our signatory employers it has been determined that it is inappropriate to open the General Presidents Maintenance Agreement (Atlantic Canada Offshore Collective Agreement) and conduct a full renewal at this time. Accordingly, the Committee will extend the existing agreement for a further six (6) months to June 30, 2019 "as is" with no changes to the agreement.

Please advise your Local Union Representative of this result.

Regards,
