Re: Extension of the Hamilton and St. Catharines Area National Maintenance Agreement

Dear Member:

After appropriate consultation and discussion and pursuant to our meeting in Burlington on October 21, 2015 the National Maintenance Council for Canada has determined to extend the current National Maintenance Agreement as is" with no changes to the agreement for a further twelve (12) months from the original expiry date to November 30, 2016.

Appropriate notices regarding renewal discussions will be distributed early in 2016

Regards,

Brett McKenzie
Executive Director
