Each break shall be established by the employer in each eight (8) hour shift. It is, however, understood that this shall be done in such a manner as to not stop the necessary operation of the job.

Where a scheduled ten (10) hour day is established the rest or coffee breaks will be two (2) breaks of fifteen (15) minutes each.

ARTICLE 16.000 WORK HOURS PER DAY, OVERTIME AND OVERTIME MEAL BREAKS

- 16.100 It is agreed that the Company will provide written notification for the implementation of the four (4) day ten (10) hour work week option.

Eight (8) hours per day shall constitute a day's work and forty (40) hours per week, Monday to Friday inclusive, shall constitute a week's work. The regular starting time shall be eight (8) o'clock a.m., and the regular quitting time shall be four-thirty (4:30) o'clock p.m. Start times may be staggered two (2) hours between 7:00 a.m. and 9:00 a.m. as job conditions warrant.

As an option, ten (10) hours per day, Monday to Thursday or Tuesday to Friday may be worked at straight time. The ten (10) hour system must operate for a minimum period of four (4) consecutive days before it is established as the regular hours of work. Once established it becomes the regular hours of work for those so assigned.

When establishing a four (4) day ten (10) hour work week, the employer will advise the affected local union office that a four (4) day ten (10) hour option is in place and declare if it is a Monday to Thursday, or Tuesday to Friday work pattern.

Where a multi trade project is scheduled under the four (4) ten (10) hour shift system and an employer secures short term work that may not provide for forty (40) hours of work, all hours worked shall be paid for in keeping with the provisions applicable to the four (4) ten (10) hour shift.

16.200 Employees working a day shift defined as a shift starting at 8:00 a.m. shall work eight (8) hours for eight (8) hours pay.

Employees working a midnight shift defined as a shift starting between 9:00 p.m. and 2:00 a.m. shall receive a shift premium of three dollars (\$3.00) per hour for all hours worked. This amount will be increased after April 31, 2014 should there be increases in the reference agreements.

The mid-shift lunch break will be of one half (1/2) hour in duration and will be unpaid.

16.300 All time worked before and after the established work day of eight (8) or ten (10) hours, Monday through Friday and all time worked on Saturdays, Sundays and recognized holidays, as listed in Article 12.000 of the Agreement shall be paid for at overtime rates as follows:

16.301 Time and one-half (1-1/2) - first 2 hours

Monday through Friday.
Double-time (2) after the first 2 hours
Monday through Friday, and all hours on
Saturdays, Sundays and Statutory Holidays.

16.302 Four Ten Hour Day Option:

When the four (4) ten (10) hour day option is being worked, all hours in excess of ten (10) hours on any of the four (4) days will be paid at double-time (2). When the Monday or Friday is worked, the first ten (10) hours will be at time and one-half (1-1/2) and all hours in excess of ten (10) hours will be at double-time (2).

16.400 Employees shall be at their posts prepared to start work at the regular starting time.

16.500 Outside of the limits established in Article 16.100, by mutual consent of the Company and the Council, the starting and quitting times of any shift, including day work, may be changed for all or any portion of a particular job. For the purpose of this Article, the standard work day of eight (8) or ten (10) hours for the job or portion thereof to which any such change of starting time applies shall begin with such agreed starting time.

16.600 Overtime Meal Breaks: When an employee works beyond ten (10) hours per day he shall be entitled to a meal break and a meal supplied by the Company. The meal break will be provided after ten (10) hours of work and subsequent meal breaks each four (4) hours thereafter. However, it will be the prerogative of the Company in conjunction with the Job Steward to arrange meal breaks for efficiency and convenience of the job.

When the four ten hour day option is worked, recognizing emergency situations will arise, if the Company has not scheduled in excess of the ten (10) hour shift, the Company shall be granted a one (1) hour extension where a meal and meal break are not required.

When an employee works Scheduled Overtime (work performed on Saturdays, Sundays and Holidays) he shall be entitled to a meal break when overtime work exceeds ten (10) hours.

When an employee works Short Notice Emergency Call-Out Overtime (overtime work performed other than continuous with the regular work day or Scheduled overtime) he shall be entitled to a meal break when overtime work exceeds four (4) hours.

Entitlement to subsequent meal breaks will occur at approximately four (4) hour intervals during continuing overtime. No entitlement shall occur at the conclusion of overtime.

All overtime meal breaks will be thirty (30) minutes in duration and will be paid for at straight time rates. However, in calculating entitlement to a meal, the thirty (30) minute break shall not count as overtime work.

16.601 When foremen are required to:

- 1) Start up to one (1) hour earlier, or
- 2) Finish up to one (1) hour later, or
- 3) Start up to one-half (1/2) hour earlier and finish up to one-half (1/2) hour later than the foreman's crews, for the purposes of organizing work, obtaining permits or facilitating a transition to another shift, the foreman shall not be entitled to a meal or meal break as per Clause 16.600 unless those provisions are applicable to the rest of the crew.

16.602 It is understood that while the best possible situation is to provide an overtime meal and take a thirty (30) minute break at straight time rates, it is also recognized that there may be some situations where it is impractical to provide an overtime meal. When such events occur the Company shall provide the employees:

- (i) a payment of twenty-five dollars (\$25.00) as a meal allowance.
- (ii) a payment of thirty (30) minutes at straight time rates in lieu of the meal break: and
- (iii) a fifteen (15) minute rest break at the applicable rate of pay.

Where a camp is provided, employees will not receive the twenty-five dollars (\$25.00) meal allowance where they are able to receive a camp meal at the end of their shift.

16.700 Subject to Article 16.100 on the establishment of a four (4) ten (10) hour day system, any provisions regarding minimum number of days to establish afternoon or midnight shifts are not applicable under this Agreement.

16.800 Employees called out between regular shifts will be entitled to a minimum of two (2) hours pay at the applicable overtime rate for actual hours worked whichever is greater.

16.900 It is not intended that an employee shall work more than sixteen (16) hours in any given twenty-four (24) hour period therefore it is established that the employee must have eight (8) continuous hours off between regular shifts or he will be paid overtime rates for all hours worked in excess of the first eight (8) until such times as he does have eight (8) continuous hours off.

Time spent in site indoctrination sessions will not be counted as hours of work for the purposes of calculation of the sixteen (16) or eight (8) hours as noted above except when indoctrination is included as part of the regular work day.

ARTICLE 17.000 SAFETY

17.100 The Employees covered by the terms of this Agreement shall at all times while in the employ of the Company be bound by the safety rules and regulations as established by the Owner, Company, applicable Council Member Labour Agreement and applicable Provincial or Federal Regulations, Acts and Laws.

17.200 The Company will provide to the employees, such items of safety equipment as required by these Safety Rules and Regulations. The Company accepts responsibility to provide coveralls and all necessary protective clothing required for working conditions which are exceptional or would lead to speedier deterioration of personal clothing, than under normal or usually accepted working conditions.

17.300 The company will provide a separate area for employees to remove and store coveralls, work clothing etc., prior to entering lunch rooms.

ARTICLE 18.000 APPRENTICES

18.100 The Council and Member Unions agree that the needs of plant maintenance may warrant differing apprentice ratios than those established. The Company and the Council Affiliates, therefore, agree to negotiate such ratios from time to time as the conditions warrant. As a minimum the Company will use its best efforts to meet the apprenticeship ratios contained in the local reference agreement.

ARTICLE 19.000 HIRING AND TRANSFER OF WORKERS

19.100 The Company agrees to hire and or transfer workers where work is being performed or is to be performed in accordance with the procedures established in the Local Area Labour Agreement by each Council affiliate or as amended in the attached trade appendix. In reference to the 48 hour rule, Article 3.300 applies.
