**Re: Extension of the National Maintenance Agreement Covering the Port
Hawkesbury Paper Mill**

Dear Member:

After appropriate consultation and discussion, the National Maintenance Council has determined that it is inappropriate to open the Port Hawkesbury Paper Mill National Maintenance Agreement and conduct a full renewal process. Accordingly, the Council will extend the existing agreement, as is, until June 30, 2019.

Please advise your Local Union Representative of this result.

Regards,

Brett McKenzie
