

## 2023/2024 ALBERTA GPMA/NMA AT-A-GLANCE

The GPMC/NMC has finished negotiations on new maintenance agreements for Alberta. Important changes you will see include:

# 2X

**Double Time has returned to the Collective Agreement:**

- DT starts after 10 hours on all regular days
- Now applied to all hours on Saturday and Stat Holidays
- Applied to all hours Sunday for STM and LTM

**All benefits paid according to local construction reference agreement.**

**Improvements to overtime for Compressed Work Weeks.**

**Pension contributions returned to what they were pre-2019.**

**The \$0.75 reduction has been eliminated in Fort McMurray. LTM now paid at 100% of construction rates.**

In the upcoming weeks, you can read more highlights and the full terms of settlement at [gpmccanada.com](http://gpmccanada.com)

**Workers like you set the standard on site. The more we hear from you, the better we'll do for you when it matters.**
