Re: Extension of the Saskatchewan National Maintenance Agreement

Dear Member:

After appropriate consultation and discussion on May 13, 2025, the National Maintenance Council for Canada and Signatory Employers have determined to extend the current Saskatchewan National Maintenance Agreement for a further twelve (12) months to June 30, 2026 "as is" with no changes to the agreement.

Notices regarding renewal discussions will be distributed appropriately in 2026.

Regards,

Brett McKenzie
Executive Director
